

# Chinese 3211: Chinese Composition and Conversation II

## Course Description and Objectives:

This course will focus on developing high intermediate to advanced speaking and writing skills. The goal is to further improve the communicative competency students have acquired through taking CHIN3210. Students will be exposed to a variety of exciting issues in contemporary China such as the Internet, economic development, the environment and love in Mandarin Chinese. Classroom activities include oral presentations, debates and performances. By the end of the semester, students are expected to be able to engage in meaningful conversations and express themselves in writing on covered topics.

## Required Textbook:
