Current Catalog Copy

PP 5375. Analytic Tool for Public Problems
3 credits. Seminar.

The analytic tools necessary to evaluate the activities of government.

Proposed Catalog Copy

(See information in the "Add a course" form if you have any questions regarding specific items.)

PP 5375. Economic Analysis for Public Administration
3 credits. Seminar.

The economic tools necessary to evaluate the activities of public administration.

Justification

1. Reasons for changing this course: The Master of Public Administration (MPA) program recently completed a curriculum review. PP 5375 is a required course for all MPA students. The new title better reflects the intention of the course – which is to familiarize MPA students with the economic analysis tools necessary to analyze the policies and activities of public administration.
