No current catalog copy. New course proposal pending.

Proposed Catalog Copy /Copies

PP 5314. Casual Program Evaluation
3 credits. Seminar. Cross-listed with ECON 5414 Casual Program Evaluation.

This course will provide the student with the advanced methods and tools used for causal program evaluation. This course is cross-listed with ECON 5314. This course is an MPA capstone option.

Justification

1. Reasons for adding this course if it is new: The Master of Public Administration (MPA) program recently completed a curriculum review. The proposal to create a new course titled Causal Program Evaluation provides students with advanced causal program evaluation techniques. Students interested in the public policy area in the Department of Economics will benefit from a cross-listing.

2. Reasons for cross listing this course:
Students in both Economics and Public Policy share an interest in causal evaluation techniques for public policy issues. The departments agree to offer this course as a cross-listed class.

3. Does the title or course description clearly indicate that the course is appropriate to list under all headings?: __XX_ YES _____ NO
4. Effects on other departments: None
5. Effects on regional campuses: None

6. Staffing: no new staffing
