Major Program: Human Development and Family Studies

Briefly describe how Information Literacy will be taught within your major program. List courses in which these skills will be embedded.

HDFS majors will meet the University of Connecticut and the School of Family Studies Information Literacy requirements through completing ENGL 110 or 111 and both HDFS 205W Understanding Research Methods in Human Development and Family Studies and HDFS 2xyW Professional Communications in Human Development and Family Studies. Both HDFS 205W and 2xyW are required courses for HDFS majors.

Are all these courses required of your students? If not, how will you assure that all students attain the exit expectations for Information Literacy.
