Join ISSS to plan World Fest 2015!!!

As you may know, WorldFest is an annual event that celebrates the multiculturalism of the UConn community. With cultural displays, performances, and demonstrations by students from all over the world, it is a wonderful opportunity for your organization to showcase its cultural roots and raise intercultural awareness at UConn. Because this is such a large event, it will take contributions and collaboration from all participants. It is for this reason

WorldFest 2012

that you are receiving an invitation to attend one of our introductory meetings during which preliminary information will be shared and discussed (see left). Your participation is criti-

cal! A representative from your organization should attend **one** of these meetings to receive initial information. The goal of this introductory meeting is to have all the interested organizations come together and determine the steps to follow to create a successful event. ISSS will act as a facilitator, but we want WorldFest to be all about YOU, the students at UConn. Let's work together to make WorldFest 2015 an occasion to remember!

Who is eligible to participate?

All recognized UConn cultural organizations.

Past participants have showcased:

- *Cultural displays
- *Crafts
- *Performances
- *Workshops
- *And much more!
