KINESIOLOGY PROGRAM GUIDELINES

Major: Exercise Science  Concentration: Exercise Science
(EXRSCI BS - ESBS) (ES BS)

These guidelines summarize the requirements for a Bachelor of Science for students following the 2007-2008 requirements.

The aim of this academic concentration is to prepare students to analyze sport and exercise performance in a physiological context. The majority of students will use this concentration to prepare for graduate study in exercise physiology. Other students may use this concentration to prepare for further professional education, such as medical school, physician assistant programs, and physical therapy.

A. General Education Requirements

The General Education Requirements listed in the Academic Regulations of the University of Connecticut Undergraduate Catalog 2007-2008 include:

- Content Area 1: Arts & Humanities: 6 credit
- Content Area 2: Social Sciences: 6 credits
- Content Area 3: Science & Technology: 6-7 credits
- Content Area 4: Diversity & Multiculturism: 6 credits

B. Kinesiology Requirements
