Course Proposals:  
2003-168 Change Minor: French and Francophone Studies:  

Issues for Discussion (if time allows):  
B. UConn is entering into the business of providing online course offerings. What should be the procedure for online courses developed through Continuing Studies? Should they require departmental approval? College C&C approval? Is the online version essentially the same in content as the traditional course or is it different? Does CLAS wish to examine this issue and develop such a policy?  
C. The recent heated discussion in this committee regarding the advisability of using grades (e.g. “B or better”) as a mechanism to limit entry into an academic program points to the absence of an articulated policy by CLAS concerning mechanisms for selecting students in programs with limited enrollment capacity. Does CLAS wish to examine this issue and develop such a policy?
