Chair John Manning called the meeting to order at 4:00pm in Room 162, Dodd Research Center. Present were Adams, Eldridge (EEB), Bayulgen, Oksan (POLS); Clark, Austen (PHIL); Dautrich, Ken (PP); Fairbanks, Hap (ENGL); Gajewski, Jon (LING); Gallo, Bob (PNB); Gouwens, Ken (HIST); Hamilton, Doug (CLAS); Henning, Robert (PSYCH); Higgins, Katrina (CLAS); Kharchenko, Vasili (PHYS); Knecht, David (MCB); Kuo, Lynn (STAT); Leibowitz, Gerald (MATH); Manning, John (Chair); McComiskey, Marita (WS); Michel, Robert (CHEM); Rockwell, Richard (SOCI); Travis, Roger (MCL), Weaver, Shannon (HDFS); Worcester, Wayne (JOUR).

[Meeting interrupted by fire drill from 4:08pm to 4:15pm.]

I. PRELIMINARIES

A. Jon Gajewski appointed as secretary pro tem.

B. Minutes of the 28 April 2009 meeting were approved by electronic ballot 8 May 2009.

C. Chair's report:
   1. Approvals in the interim by the chair: HDFS 3495: editorial change of course number to HDFS 3095.
   2. Forecast of some issues:
      i. By-Law changes: The Board of Trustees’ request to create College by-laws raises many issues. There is uncertainty about the need for college by-laws, and their differentiation from those of the Trustees.
      ii. Registry of non-departmental instructional programs: This semester the College will develop a registry of catalog-listed programs not offered by departments of instruction, but somehow associated with CLAS. Former certificate programs like International Studies, for instance, became minors by administrative determination and are not now effectively supervised by faculty bodies.

D. Deanery comments, Hamilton: more issues to watch for the future: (i) we must deal with units outside CLAS offering courses for credit; (ii) there will be new opportunities for interdisciplinary collaboration (Manning notes that we should be careful about cross-listing), (iii) financial storm may be clearing.

E. On-Line course development & approval
   Hamilton and Berentsen (GEOG) represented CLAS on the Provost’s online education task force. Summary of task force’s report: “Quality matters.” Task force did not address ‘blended courses’ (blended: part online, part in person), which were addressed extensively in Linnekin’s (ANTH) report to CLAS CC&C. Some courses with online discussion sections are being offered experimentally this fall. A subcommittee to address online education policy is desirable; interested members should contact Manning or Joseph Tinnel.

G. Rockwell & Henning: UICC report
   University and Interdisciplinary Courses Committee (UICC) has met and is off to a good start. More reports soon.
