Sub-committee reports

Study Abroad
A report is in preparation, to be filed with the minutes of a future CLAS C&C meeting, as an advisory document for the new Faculty Study Abroad Advisory Committee (SAAC) presently chaired by Richard Langlois (ECON).

Bachelor of Science
The proposed ECON B.S. degree, as presently written, does not fulfill the College’s general education requirements in science.
The chair welcomes input from outside the physical sciences and biology, for alternative requirements for the B.S. degree. In addition, ECON is considering other options to meet the present B.S. requirements.

Old Business

College General Education Requirements (A-E)
Attached to the .pdf version of the agenda, is an 11 page list of all the approved CLAS content area one courses with course codes, titles and descriptions. Highlighted are those courses that are not offered by CLAS departments. Lionel Shapiro, PHIL, presented some concerns about a German course on the list and objections concerning blanket approval of the present list of GER courses used by the registrar’s office.
Discussion resulted in no action other than to form a sub-committee on the College general education requirements, to be chaired by Shapiro.
New Business

**Retirement of the Chair - September 1, 2013**
A new chair will be selected. The Dean will solicit volunteers.

Adjournment
The meeting adjourned at 5:46 pm.
