Attachment: 2 Corrections to Minutes

EPSY Department Meeting
February 7, 2014—9:30 am to 11:30 am
Gentry Room 144

Present:
1. Welcome—

2. Corrections to December Minutes (see attachment)
   There were no corrections to the minutes and they stood approved as presented.

3. Guest Presentation—Lindsey Le Gervais with Graduate Student Update
   Ms. Gervais was not available.

4. Announcements
   a. Welcome New Faculty—Dr. Ron Beghetto was introduced to the faculty. His primary appointment is with CILT.

   b. Joanne Roberge Update (Bray)
   According to Melissa Bray, Joanne is progressing nicely since surgery. She appreciates all the cards.

   c. Annual Compliance Training (see Attachment)
   Everyone must complete the training annually in person or online by May 16, 2014.

   d. Grant Writing Workshop on March 21 (see Attachment)
   Faculty interested in participating in the grant writing workshop should contact Marijke Kehrhahn.

   e. Update Publications for Website
   Send updates of publications to Del for 2013-2014; it is difficult to extract publications from Husky DM. The university will be changing the websites to a new web software program—WordPress.

   f. Accomplishments for Kornegay (see Attachment)
   Send accomplishments to Shawn Kornegay and Del; the information is used for Spotlight, the list of accomplishments that is shared before NSoE faculty meeting, and semi-monthly report sent to the Provost.

   Del may consider sending Shawn’s report to the Provost to EPSY faculty.
g. George Yancy Discussion on Race on March 3 (see attachment)
Dr. Yancy will do a presentation on “How It Feels to be a Racial Problem/Essence: An Elevator Encounter”

h. Recent Senate Discussions
FYI—Provost’s Office is spot-checking Husky DM entries; Husky DM will link to new ranking program.
The Senate is reviewing a proposal to standardize PTR.
UConn expects a 3-4% cut in money from the State; we need to cut 3% out of NSoE money as of June 1, 2014 and 4% for June 2015
The EPSY budget is all salary money plus $15,000 for operating expenses; the department survives by indirect money from grants and salary savings.
Due to cost savings, searches are being canceled.
Mike Young provided an update on Senate Executive Committee discussions—guidelines to be created to establish “somewhat” standard syllabus—include grading criteria and student outcomes.

i. Possible IRB Changes (see Attachment)
Jeffrey Seeman—Vice President of Research—will speak at NSoE meeting today.
There is interested in risk/benefit ratio of proposed research studies. Seeman is considering separating IRB into two committees: scientific review and evaluation of risk; another option is to expand IRB to add experts. A new committee is to be established to discuss issues. The Department Heads nominated people to participate on the committee.
Jaci VanHeest reported that some people think the IRB is overreaching on some decisions; she also noted that the IRB must evaluate the science of a study.

The small faculty grant program is continuing; the large faculty grant program is under review. Michael Coyne is EPSY representative on the committee doing the review.

j. Update on Budget Issues and Ledger 2 Carryover
The Ledger 2 carryover policy is still under discussion. Salary savings amounts were recently awarded for this year.

k. EPSY Travel Support for Outstanding Graduate Applicants
EPSY is giving $1,000 to each program for recruiting outstanding graduate student applicants. The money is for a visit to campus. Student must be nominated for (1) multicultural scholar; (2) outstanding multicultural scholar, or (3) outstanding scholar

l. Other
Congratulations to Brandi Simonsen, who welcomes a daughter to her family; Michael Fagella-Luby—now in TX—welcomes a daughter to his family; Scott Brown welcomes a granddaughter

5. Action Items
a. Approval of Four New Special Education Courses and Certificate in the Education of Infants and Young Children with Disabilities or Delayed Development (see Attachments)
Mary Beth Bruder proposed a new 12 credit certificate program.
Joe Madaus made a motion to approve the certificate program; James Kaufman seconded the motion.
Lisa Sanetti asked a clarification question: Is the program face2face, blended, online? The original vision was online; however, the program may be delivered live.
Joe Madaus said the program is designed for teachers.
EPSY voted to unanimously approve the four courses and certificate.

Jaci VanHeest reported that Preston Green, EDLR, is proposing a certificate program on Special Education Law. The proposal was submitted to C & C and it was tabled. Allison Lombardi teaches a course on Law, Policy, and Ethics. She could offer the course online and it would be okay to be part of the certificate program.

Jaci VanHeest made a motion to approve the program with an EPSY course.
Lisa Sanetti seconded the motion.
Discussion—Michael Young asked who staffs a program when a course is in someone’s designated area? For example—Two-Summer Programs offers the Research Methods course—MEA is asked to recommend adjunct. We need to work on communication regarding courses with right of first refusal by department and program.

There were question about online courses as part of course load. Currently, instructors are not given credit when teaching the course during the fall or spring semesters when not part of regular EPSY assignment.

Lisa Sanetti noted that programs running course do not receive money for tuition-based students. D. Betsy McCoach said that programs do receive money for non-traditional students.

Certificate program students need to meet admissions criteria.

Del Siegle noted that students in a certificate programs receive a University issued certificate (very much like a diploma).

EPSY vote unanimously to approve offering one EPSY course in school law for Preston Green’s certificate program.

b. CILT Concerns about International Student Health Insurance (Young – see attachments)
The Provost’s Office is looking for ways to cut expenditures due to reduction in State monies. There is discussion about graduate students’ health insurance. Del Siegle noted that a single graduate student pays $200 and the university pays $2800. With a spouse plan, the student pays $1400 and the university pays $8,000. With a family plan, the student pays $1800 and the university pays $10,000.
Michael Young will write a letter highlighting the impact of changes in health insurance for graduate students, and Del Siegle will circulate the letter among EPSY faculty.

c. Other
Joe Madaus and Del Siegle have discussed the possibility of starting a certificate program on autism.

6. Committees Issues

a. Faculty Search Updates
i. MEA—Swami—Noel Card, University of Arizona, has signed.

ii. Online—Siegle—Two names were submitted to the Dean with no decision as of today.

iii. Special Education—Madaus—Devin Kerns, Boston University, has signed.

iv. Counseling—Colbert—Erik Hines, University of North Carolina, Greensboro, has signed.

v. Eminent Professor—Robert J. Sternberg accepted a position at Cornell University.

b. Sunshine Committee ($40)
Give money to Melissa Bray.

c. Scholarship Committee (Sanetti)
Lisa Sanetti (Chair), E. Jean Gubbins, and Megan Welsh are on the scholarship committee. Applications are due February 17, 2014

d. Other

7. Recognition of Former Program Coordinators
E. Jean Gubbins and Tom Kehle were recognized for their many years of service as program coordinators.

8. Other

9. Adjourn
Robert Colbert made a motion to adjourn; seconded by Jean Gubbins.

2014 AAUP EXCELLENCE AWARDS

The AAUP seeks nominations of its members for the AAUP Excellence Awards in Teaching, Research, and Service Recognition. The primary nominator must send the complete submission in one pdf file, indicating the award category, via e-mail to Barbara Kratochvil at BarbaraK@uconnaaup.org.

The AAUP encourages updated submissions for applicants nominated within the last three years 2011, 2012 and 2013.

The deadline for submitting nominations to the AAUP office is FRIDAY, MARCH 21, 2014.

I. TEACHING EXCELLENCE AWARDS

Required Supporting Materials for all Teaching awards:
1) Two letters of support from UConn faculty members, including at least one with extensive knowledge of the applicant’s teaching.
2) Two letters of support from current or former UConn students (undergraduate or graduate).
3) OIR teaching evaluation data for all courses, as relevant.
4) Curriculum Vitae.

A. TEACHING EXCELLENCE: EARLY CAREER
   Eligibility: Untenured faculty member with 3 – 6 years of service at UConn and no more than 6 years of teaching experience as a faculty member at any institution.

B. TEACHING EXCELLENCE: CAREER
   Eligibility: Any faculty member with over 6 years teaching experience. This award recognizes classroom instruction, and advising and mentoring undergraduate and graduate students.

C. TEACHING INNOVATION
   Eligibility: Any faculty member. This award recognizes new methods and curricular design.
II. RESEARCH EXCELLENCE AWARDS

Required Supporting Materials for all Research awards:
1) Four letters of support from faculty members with extensive knowledge of the applicant's research, with at least one from UConn.
2) Curriculum Vitae.

A. EXCELLENCE IN RESEARCH AND CREATIVITY: EARLY CAREER
   Eligibility: Untenured faculty member with 3 – 6 years of service at UConn and no more than 6 years of research or creativity experience as a faculty member at any institution. This award recognizes outstanding scholarship, which may include journal articles, conference papers, books, exhibitions of creative work, external funding and other appropriate criteria as determined by the evaluating committee, with an emphasis on scholarship performed at UConn.

B. EXCELLENCE IN RESEARCH AND CREATIVITY: CAREER
   Eligibility: Any faculty member with over 6 years of experience. This award recognizes scholarship with a national and international reputation, outstanding service in promoting scholarship at UConn, and long-term impact on UConn scholarship.

III. SERVICE EXCELLENCE AWARD

Required Supporting Materials for Service award:
1) Four letters of support, including at least one from a faculty member with extensive knowledge of the applicant's UConn service.
2) Curriculum Vitae.
   Eligibility: Open to all AAUP members.
   This award recognizes service performed while maintaining satisfactory performance in other regular assignments (e.g., teaching and scholarly activities) such as:
   1. Professional service that positively impacts on the citizens of the State, consistent with UConn’s land-grant mission.
   2. Professional service that contributes to the common good at national and/or international levels.
   3. Leadership in enhancing the visibility of UConn among prospective undergraduate and graduate students, thus improving enrollment and the quality of incoming students.
   4. Contributions promoting significant program excellence and/or improved productivity of students, staff, and faculty.
   5. Leadership in fostering cooperative activities within the University to enhance success in its mission.
My name is Leonard Blanks, Jr. and I am a member of the Awards Task Force for the UConn Alumni Association. We are in the process of soliciting nominations for our 2014 Faculty & Alumni Awards and wanted to reach out to you about how you can help in this process.

We are looking for a diverse pool of outstanding faculty and alumni candidates that the committee can consider for these University wide awards. These awards are presented once a year during our Awards Celebration that takes place in the fall. Our recipients are not only honored at the celebration but also are asked to return to the classroom to connect with our current students. It is a tremendous honor for these recipients and we would welcome any help you can provide in the nomination process.

Nominations are currently being accepted through Friday, April 25, 2014. The nomination forms, as well as the list of our awards and past recipients can be found on our website at http://uconnalumni.com/index.php/alumni/give/awards/faculty-alumni-awards.

I will follow up with an email to you that highlights what we have discussed as well as the web link to our awards nomination forms.

Please do not hesitate to contact me at 860-486-5033 or the Alumni Association at 860-486-2240 and speak with Deb Crary, Manager of Alumni Services. She will be able to answer any questions you might have. I thank you for your time.

Thank you,

Leonard

**Faculty & Alumni Awards**

**Celebrating innovative work and loyal support.**
UConn alumni, faculty and friends help bring UConn to a new level through their innovative work and loyal support. In recognition of such efforts, we present various awards at The Alumni Association Awards Celebration, held annually as part of Homecoming Week. Below is a list of the award categories. To view a list of past award recipients, click here. To submit a nomination, click here.

**Alumni Association Service Award**
Presented to an alumnus who has consistently provided exemplary service to the University community, enhancing the stature, success and well-being of the University of Connecticut Alumni Association. Community service and professional accomplishments are considered. The
honoree's extraordinary interest in the University, demonstrated through dedicated volunteer service, should be an inspiration to the campus community.

**Distinguished Alumni Award**
Originated in 1956 for the purpose of providing recognition for outstanding achievements of men and women who are former students of the University of Connecticut. Any living alumni of the University are eligible. For the purposes of this award, an alum is any person who enrolled in any school or college of the University, or any of its predecessors, and who remained in attendance at least one semester.

**Honorary Alumni Award**
This award originated in 1972 and is presented time to time to a non-alumnus whose past, present and potential impact on the University community qualifies them for alumni status. The honoree's professional, personal, civic and philanthropic pursuits reflect the high standards and values associated with the University of Connecticut, the Alumni Association and higher education.

**University Service Award**
This award honors alumni, faculty, staff and friends whose volunteer efforts (or those efforts above and beyond the duties of a paid position) have enriched the depth and stature of UConn.

**Humanitarian Award**
Established in 2005, the Humanitarian Award is awarded to honor alumni who have made outstanding contributions to humanity.

**Graduate of the Last Decade (G.O.L.D.) Award**
This award was established in 1999 to recognize the outstanding service and accomplishments of an exceptional young alumna/alumnus, age 40 years or younger and whose year of graduation falls within the previous decade. Areas of service may include professional, personal, civic and/or service to UConn. This individual's achievements bring inspiration to young alumni, their peers and current undergraduate students.

**Faculty Excellence in Research and Creativity (Humanities, Arts and Social Sciences and Sciences)**
The Faculty Excellence in Research and Creativity Awards are given to individuals who have made significant and or creative contributions to a field of knowledge or area of inquiry. The purpose of these awards is to recognize research excellence and the highest levels of creativity that enhance the university’s academic and creative reputation. Individuals who are nominated for this award must have a distinguished record of ongoing scholarly and/or creative productivity and must have worked at least 10 years at UConn.

**Faculty Excellence in Teaching (Undergraduate and Graduate Levels)**
The purpose of these awards are to recognize excellence in classroom teaching, which assists the University in its continuing efforts to attain the highest academic recognition.
Colleagues,

On behalf of The Graduate School, I remind you that the Tuition Assistance Program (TAP) for Outstanding Out-of-State Master's Degree Students provides tuition assistance by allowing recipients to pay tuition at the in-state rate. Selected students must be classified as out-of-state for tuition purposes and enrolled in terminal master's degree tracks. The tuition assistance can be provided for a maximum of four semesters, pending budget approval.

Selection criteria include: (a) admission to and full-time matriculation in a master's degree program which ordinarily does not lead to a doctorate; (b) absence of graduate assistantship support (which carries with it a tuition waiver); (c) out-of-state residency status; (d) evidence of academic excellence (based on grade point averages, GRE/GMAT scores, etc.); and (e) U.S. citizen or permanent resident status. We ask that you kindly include the attached document with any offer letter(s) you may send out.

If you have a student who meets the above criteria, kindly send a brief description of why the candidate is deserving of such award, confirmation of eligibility, copy of the student's transcript and GRE score to me by March 14.

Please feel free to pass this announcement along as you deem appropriate.

Thanks,
Kelly M. Jones

EXPLORING EXPERTISE

May 17, 2014
University of Connecticut, Storrs, CT

Exploring Expertise is a conference for students in grades 8-12 and their parents. We invite talented, motivated adolescents to spend a day with us learning about the career directions they might pursue in their areas of interest and talent. Experts in a wide variety of disciplines will share their passion for their subjects and talk about the kinds of questions guiding cutting-edge research.

Parent sessions will focus on information and suggestions regarding college preparation and talent development opportunities, including the kinds of resources that will be available to students in college, at UConn and at other universities.

A few sessions are open to both parents and students, to focus on some opportunities that will be available to students in college and may be useful for parents to understand as well.

Registration Deadline: April 29, 2014

Registration Costs: $150 per parent/student pair (includes lunch); $50 per additional family member (includes lunch)

Spaces fill quickly; please register early.

Directions: Using the Educational Psychology Department Guidelines for Merit, consider your accomplishments. For each section, please provide a brief narrative documenting these accomplishments in relation to the criteria. Within the narrative, faculty are encouraged to address focus on diversity, as emphasized within the University’s Academic Plan (2009-2014) and action plan developed by the Neag Dean’s Council on Diversity. Note that for each section, the maximum limit is 500 words. In addition, provide an overall rating of each section using the following guidelines:

N/A = not applicable. Provide a brief rationale.
0 = No merit - Did not meet departmental requirements for merit.
1 = Low Merit - Met requirements for EPSY departmental merit.
2 = Mid-Level Merit - Met requirements for departmental merit and also scored above departmental average, based on prior year summary data.
3 = High Merit - Met requirements for EPSY departmental and additional merit, scoring above the departmental average based on prior year summary.

*To qualify for merit, an individual must be exemplary in TWO or more areas. However, one of the two areas must be Scholarship. EPSY Merit Awards will be based on work in the area of Scholarship plus either Teaching or Service.
The following was approved by the EPSY faculty on May 4, 2013.

Establish a three (3) year trial period of an Educational Psychology Department Merit Committee, elected by the EPSY faculty. The committee will consist of four (4) faculty elected to a 2-year term on a rotating basis. One member for the committee must be from the non-tenure track faculty. The other three must be associate or full professors (tenured or tenure-track). The committee will select its own chair each year.

To start this process, two members of the committee will be elected to a 2-year term and two to a one-year term, for continuity of the process and committee. Faculty will be nominated for this committee by the general EPSY faculty. All EPSY faculty members are eligible to vote for the members of this committee.

The purpose of the committee is to evaluate the merit requests and productivity of the Educational Psychology faculty (based on the materials submitted on the Provost’s Annual Report, currently using Husky Digital Measures—Husky DM) and to make recommendations to the Department head regarding the category of merit applicants (e.g., 0= no merit to 3 = high merit) and Not to assign dollar amounts to individuals or categories.

These recommendations must be discussed with the department head in a joint committee meeting. In the event the department head has evaluated an Educational Psychology faculty member applicant for merit differently by more than one category difference from the committee’s rating, then the department head may change his/her rating to the committee’s recommendation or categorize the applicant no more than one full category (above or below) from the category recommended by the committee.

It is the responsibility of the department head to assign dollar amounts to applicants and categories. Note, the amount of money may vary within a category group but the same merit amount cannot vary a cross category groups. Therefore, the department head must create bands (ranges) of merit dollar amounts that do not cross categories.
