Adding Links to the Navigation Menu

Instructors need to build the navigation menu in their HuskyCT site to create “Content Areas” where files and activities such as Assignments or Tests can be posted and to add student access to Tools such as the Discussion Board.

“Edit Mode” must be turned on. This button is found at the upper right of your screen when inside a course site where you are instructor.

Step 1: Click on the “+” icon

Click on the “+” icon at the upper left-hand corner of the navigation menu.

Step 2: Choose the type of link you wish to add

NOTE: Those marked with * are most commonly used.

*Content Area = Page where you can add many different types of content and activities

Module Page = This is NOT a Learning Module
For adding notification boxes like those on My Courses page.

Blank Page = Built using the Content Editor in HuskyCT

*Tool Link = Used to make tools available to students, such as Discussion, Blogs, Email, My Grades, etc.

*Web Link = Add a link to a website.

Course Link = Adds link to something already built into your course site (generally not recommended)

Subheader = Create a bold text header in your menu

Divider = Add a gray divider line

Step 3: Name link, check box to make available, click Submit

Add Content Area

* Name: 
Available to Users

Add Tool Link

* Name: 
Type: Access WebAssign
Available to Users
