1. New MCCP Visual
   - A new MCCP visual that represents all the stakeholders was created and shown to MCCP members.

2. UConn’s Board of Trustees’ Review of Spring Weekend
   - A written document reviewing the Spring Weekend Hearings and offering commentary by the BOT is currently being compiled. Julie Elkins will try to get a copy for the MCCP
   - MCCP members discussed recent actions taken by Central Connecticut State University to curb off-campus partying and whether these actions could be translated to UConn despite differences in resources and physical conditions of neighborhoods.
   - Representatives from Konover Residential expressed that they will be using stricter policy enforcement to dissuade students from irresponsible party hosting.
   - Mayor Paterson asked that MCCP members bring information to the next meeting about legislation used elsewhere to limit underage drinking.

3. Voting Issues
   - Mayor Paterson met with the Registrar of Voters and the heads of 3 voting precincts to discuss issues of long lines during Election Day. They believe the issue is resolved for the future.

4. Sidewalk Project on Hunting Lodge Rd.
   - Matt Hart stated that tree clearing is complete and that the sidewalk project is proceeding ahead of schedule. He expects the sidewalk will be completed by summer, but not necessarily by Spring Weekend.

5. iParent
   - Ruth Freeman, Kevin Grunwald, and Barbara Casey presented on iParent.
   - The iParent website will serve as a “virtual neighborhood” for parents to form networks, educate one another, and ultimately use family norms to limit underage drinking.
   - An update on this project will be provided in January.

6. Goal Setting
   - MCCP members expressed the need for a goal-setting meeting in January or February
