

VITA

MERRILL CHARLES SINGER

AFFILIATION

Professor, Departments of Anthropology and Community Medicine, University of Connecticut
Email: Merrill.Singer@Uconn.edu

Additional Institutional Affiliations:

-- Senior Research Scientist, Center for Health, Intervention and Prevention, University of Connecticut

-- Affiliated Scientist, Center for Interdisciplinary Research on AIDS, Yale University

PERSONAL

Home Address:
33 Holly Dr. Storrs, CT 06268-2226
(860) 593-5249

Date of Birth: October 6, 1950
Place of Birth: McKeesport, PA

EDUCATION

1982-3 National Institute of Mental Health Postdoctoral Fellowship.
Department of Community Medicine, University of Connecticut Medical School,
Farmington, Connecticut and Hispanic Health Council, Hartford, CT.

1979-80 National Institute of Alcohol and Alcohol Abuse Postdoctoral Fellowship.
Center for Family Research, Department of Psychiatry, George Washington University
Medical School, Washington, D.C.

1979 Ph.D., Anthropology, University of Utah, Salt Lake City
Dissertation Title: Saints of the Kingdom: Group Emergence, Individual Affiliation,
and Social Change among the Black Hebrews of Israel.

1975 Master of Arts, Anthropology. California State University, Northridge
Thesis Title: The Lubavitcher Chassidim: God's Messengers of Return.

PROFESSIONAL EXPERIENCE

- 2008- Professor
Department of Anthropology (Department of Community Medicine, 2010-)
University of Connecticut, Storrs, CT
- 2007- Senior Research Scientist
Center for Health, Intervention and Prevention
University of Connecticut, Storrs, CT
- 1991-07 Associate Director (9/93--9/94 Acting Executive Director, 2/01- 4/02, Administrative
Team during Executive Director Search)
Hispanic Health Council, Hartford, CT
- 1982-07 Director of Research (1987-2007, Research Scientist 1982-1987)
Hispanic Health Council. Hartford, Connecticut

HONORS and ACHIEVEMENTS

- 2012 Awarded the AIDS and Anthropology Research Group's Distinguished Service Award.
- 2012 Appointed to the American Anthropological Association 2013 Annual Meeting Executive Program Committee.
- 2011 Elected to the Committee on Public Policy of the American Anthropological Association.
- 2010 Recipient of the Solon T. Kimball Award for Public and Applied Anthropology, American Anthropological Association.
- 2010 Awarded Service-Learning Faculty Fellowship, academic year 2010-2011, Office of Service-Learning and Institute for Teaching and Learning, University of Connecticut.
- 2008 Invited Presenter, The Anthropologist as Social Critic: Working Towards a More Engaged Anthropology. Wenner-Gren Foundation for Anthropological Research Conference, New York City, New York, organized by Setha Low and Sally Merry.
- 2007 Appointed by the Society for Medical Anthropology as a judge for the 2007 George Foster Memorial Award in Practicing Medical Anthropology.
- 2007 Invited Member, International Programme Advisory Group, International Harm Reduction Association (IHRA) Conference, Barcelona, 2008.

- 2007 Invited Participant, Plagues: Models and Metaphors in the Human 'Struggle' with Disease, Wenner-Gren Foundation for Anthropological Research Conference, Tucson, AZ, organized by Alan Swedlun and Ann Herring.
- 2006-08 Elected, Board of Directors, Society for Applied Anthropology.
- 2006 Invited Participant, School of American Research Seminar: Global Health in the Time of Violence, Sante Fe, NM, organized by Paul Farmer, Barbara Rylko-Bauer, and Linda Whiteford.
- 2006 Appointed by the Society for Medical Anthropology as a judge for the 2006 George Foster Memorial Award in Practicing Medical Anthropology.
- 2006-09 Appointed to the Editorial Board of the journal Medical Anthropology.
- 2005 Appointed by the City Council of Hartford, CT to the Mayor's Commission on AIDS.
- 2005 Recipient of the Society for the Anthropology of North America Prize for Distinguished Achievement in the Critical Study of North America.
- 2004 Recipient of the George Foster Memorial Award in Practicing Medical Anthropology, Society for Medical Anthropology.
- 2004-06 Elected to the Ethics Committee, American Anthropological Association.
- 2004- Appointed to serve on the Editorial Board of the International Journal of Drug Policy
- 2003-4 Selected to Chair the Margaret Mead Award Committee. Society for Applied Anthropology and American Anthropological Association.
- 2003- Appointed to serve on the Editorial Board of the Journal of Ethnicity and Substance Abuse.
- 2003-05 Selected as Book Review Editor. Medical Anthropology Quarterly
- 2001-03 Elected President, AIDS & Anthropology Research Group, Society for Medical Anthropology (2-year term).
- 1995-98 Elected to the Executive Board, Society for Medical Anthropology.
- 1993 Elected to the Governing Council, National Association of Practicing Anthropologists.
- 1991 Awarded the AIDS and Anthropology Clark Taylor Professional Paper Prize for "AIDS and the Health Crisis of the U.S. Urban Poor." Society for Medical Anthropology.

- 1991 Awarded the Rudolph Virchow Prize, Professional Category. Society for Medical Anthropology
- 1990-92 Elected to the American Anthropological Association Task Force on AIDS; 1991 elected Chairperson of the Task Force.

GRANTS and CONTRACTS

- 2012 Co-Investigator. Disparities in HPV Vaccination: Identifying and Quantifying Barriers. National Institutes of Health. (\$456,135, 2 years).
- 2011 General Education Course Enhancement Grant. Office of Provost, University of Connecticut. Course title: Global Climate Change and Society (\$10,000, 2 Years).
- 2011 Principal Investigator. Community Research Partnership Program pilot grant. Risk Patterns of Latino/a Emergent Adult Sexual Networks. (\$5,000, 1 year) Center for Interdisciplinary Research on AIDS, Yale University.
- 2010 Principal Investigator (one of three). Community-based HIV Education Research Program for Diverse Racial, Ethnic and Disadvantaged Groups (\$1.3 million, 5 years). National Institute of Mental Health.
- 2010 Principal Investigator. University of Connecticut Faculty Small Grant (\$1,352). Down Cancer Alley Study, Donaldsonville, LA.
- 2008 Principal Investigator. Work and Learn Evaluation Study. (\$75,000). State of Connecticut.
- 2007 Awarded U.S. Speaker and Specialist Grant, Bureau of International Information Program (IIP), Strategies for Utilizing Social Science Methodologies in Haiti (\$1,900 Travel to Port-au-Prince, Haiti and honorarium).
- 2006 Principal Investigator. Second-hand Smoke and Health Risk among Puerto Rican Children Grant (\$15,000, 2 years). Center for Health Intervention and Prevention, University of Connecticut.
- 2005 Core Director. Community Liaison Core. Center for Excellence in Health Disparities Research. Awarded by the National Center on Minority Health and Health Disparities (Full center grant: \$8.5 million, 5 years)
- 2005 Co-Principal Investigator. Ethical Issues in the Study of Drug Users. Awarded by the National Institute on Drug Abuse (\$850,000, 3 years).

- 2003-4 Principal Investigator. Rapid Assessment of Teen Pregnancy. Awarded by the Connecticut Department of Public Health (\$15,000, 1 year).
- 2003- Co-Principal Investigator. Barriers to Condom Use among African American and Latino Young Adults. Awarded by the Centers for Disease Control and Prevention. (\$1.8 million, 5 years.)
- 2003 Principal Investigator. Project RARE Hartford. Awarded by the Office of HIV/AIDS Policy, Department of Health and Human Services (\$38,000, 1 year).
- 2002 Principal Investigator. Building Community Response to Risks of Emergent Drug Use. Awarded by the Centers for Disease Control and Prevention (\$1.2 million, 4 years).
- 2001-04 Co-Principal Investigator. Drinking and Health among Farm Workers. Awarded by the National Institute on Alcohol Abuse and Alcoholism (\$1.25 million, 3 years)
- 2001-03 Co-Principal Investigator. Sociocultural Factors in Syringe Sharing and HIV Risk among IDUs in China. Awarded by the National Institute on Drug Abuse (\$100,000, 2 years).
- 2001-04 Director. Communication Coordination and Publicity. Awarded by the Hartford Foundation for Public Giving (\$280,000, 3 years).
- 2000-04 Principal Investigator. Partner Violence, Substance Abuse and HIV Risk. Awarded by the National Institute on Drug Abuse (\$1.6 million, 3 years).
- 1999 Principal Investigator. Syringe Access, Use and Discard among Drug Users. Awarded by the National Institute on Drug Abuse (\$2.3 million, 4 years).
- 1998 Principal Investigator. Longitudinal Study of AIDS Risk among Drug Users. Awarded by the National Institute on Drug Abuse. (\$1.8, 3 years).
- 1998 Co-Principal Investigator. Pathways to Drug Abuse among Adolescents. Awarded by the National Institute on Drug Abuse (\$1.2 million, 3 years).
- 1997 Co-Principal Investigator. Diffusion of Benefits from Syringe Exchange. Awarded by the National Institute on Drug Abuse & National Institute on Mental Health (\$2 million, 4 years).
- 1997 Co-Principal Investigator. HIV Prevention and High Risk Sites. Awarded by the National Institute on Drug Abuse & National Institute on Mental Health (\$1 million, 3 years).

1997 Principal Investigator. Intertwined Epidemics among Puerto Rican Drug Users
Awarded by the National Institute on Drug Abuse (\$1.1 million, 3 years).

COURSES TAUGHT (Undergraduate & Graduate)

American Society and Culture
General Anthropology (Four field introduction)
Anthropology of Middle Eastern Societies
Anthropology of Religion
Climate Change and Human Communities
Applied Anthropology
Drugs and Society
Field School in Medical Anthropology
Health, Culture and Community in the Middle East
Individual and Society
Introduction to Cultural Anthropology
Introduction to Global Health
Introduction to Physical Anthropology
Introduction to Sociology
Medical Anthropology
Medical Ecology
Other People's Worlds
Sociology of Religion
Social Structure
Urban Anthropology
Myth in its Social Context
Seminar on Anthropology of Infectious Disease
Seminar on Anthropological Theory
Seminar on Applied Medical Anthropology
Seminar on Applied Anthropology
Seminar on Drugs, HIV and Development
Seminar on Global Health Disparities
Seminar on Medical Anthropology

EXTERNAL REVIEW FOR ACADEMIC PROMOTION

2013 External review for PTR application of Dr. Treena Orchard, Health Sciences, Western University.

2013 External review for PRT application of Dr. James Quesada, San Francisco State University.

2013 External review for PTR application of Dr. Lee Hoffer, Case Western Reserve University.

2012 External review for PTR application of Dr. Heide Castaneda, University of South Florida.

2012 External review for the PTR application of Dr. Sienna Craig, Dartmouth College.

2011 External review for the PRT application of Dr. Brian McKenna, University of Michigan, Dearborn.

2011 External review for the PTR application of Dr. Shao-hua Liu, Institute of Ethnology, Academia Sinica, Taiwan.

2010 External review for the PTR application of Dr. Yasmina Katsulis, Arizona State University.

2010 External review for Promotion application of Dr. Laretta Grau, Yale University.

2010 External review for the PRT application of Dr. Wende Marshall, University of Virginia.

2010 External review for the PTR application of Dr. Tricia Redeker Hepner, University of Tennessee.

2009 External review for the PTR application of Dr. Brian Kelly, Purdue University.

2009 External review for the PTR application of Dr. Charles Mather, University of Calgary, Calgary, Canada.

2008 External review for the PTR application of Dr. Juliet McMullin, University of California, Riverside.

2008 External review for the PTR application of Dr. Joyce V. Millen,. Willamette University.

2007 External review for the PTR application of Dr. Carolyn Smith-Morris, Southern Methodist University.

2006 External review for the application of PTR Dr. Stephen Tyndall, University of British Columbia.

2004 External review for the PTR application of Dr. Ida Susser, Hunter College.

2003 External review for the PTR application of Dr. Richard Parker, Columbia University.

2000 External review for the PTR application of Dr. Joel Gittelsohn, Johns Hopkins University.

1999 External reviewer for the PTR application of Dr. Andrea Sankar, Department of Anthropology, Wayne State University.

1999 External reviewer for the PTR application of Dr. Ruth Wilson, Department of Anthropology, South Methodist University.

1999 External review for the PTR application of Dr. Denise Herd, University of California.

1997 External reviewer of the application of PTR Dr. Karen Breda for College of Education, Nursing and Health Professions, University of Hartford.

1997 External reviewer of the PTR application of Dr. Antonio Estrada, Department of Mexican Studies, University of Arizona.

PROFESSIONAL ACTIVITIES

2013 Invited Keynote Speaker. The Global Health Impacts of Syndemics of Chronic Infections. C2D2 Conference, Centre for Chronic Diseases and Disorders. The University of York, York, UK.

2013 Chair, Review Committee, Review of The Ethel Donaghue Center for Translating Research into Practice and Policy, University of Connecticut School of Medicine.

2012 Technical Review Team Member, providing technical input to the 2013 National Climate Assessment, Oceans and Marine Resources, Chapter 4 on health and marine climate change.

2012 Expert Reviewer, Working Group II, Impacts, Adaptation and Vulnerability. Fifth Assessment Report of the U.N. Intergovernmental Panel on Climate Change (IPCC), Climate Change 2013.

2011 Invited Keynote Speaker. Seminario Permanente: Ecosyndemics Y Ecosalud: Cambios en las configuraciones de variables sociales, ambientales y de salud en diferentes regions del Perú (Permanent Seminar on Ecosyndemics and Ecohealth: Changes in social, climate and health variables in different regions of Peru). Pontific Catholic University of Peru, Lima, Peru. Presentation titles: 1) Killer Commodities and Community Health; 2) Ecosyndemics and the Unexpected 21st Century.

2011 Invited Speaker. Best Practices in HIV Prevention, Diagnosis and Treatment Conference. Center for Continuing Medical Education. Albert Einstein College of Medicine, Montefiore Medical Center, New York, NY. Presentation title: “Syndemics, Sex and the City: Understanding STIs in Social and Cultural Context.”

2011 Invited Keynote Speaker, El Centro: Center for Excellence for Health Disparities Research. University of Miami School of Nursing and Health Studies, Coral Gables, FL. Presentation title: “The Syndemic Orientation in Health Disparities.”

2010 Invited Guest Speaker. National Hispanic Science Network Summer Research Training Institute on Hispanic Drug Abuse. University of Houston, Houston, TX. Presentation Title: “Latinos and AIDS: A Community Perspective.”

2010 Invited Participant, Social and Behavioral Prevention Research Think Tank. The Office of AIDS Research, National Institutes of Health (NIH), Bethesda, MD. Focus: To develop recommendations to guide and strengthen future NIH HIV social and behavioral prevention research.

2010 Invited Keynote Speaker, Second Annual Workshop in Dynamic Modeling for Health Policy: Chronic and Infectious Disease Interactions. University of Saskatchewan, Saskatoon, SK, Canada. Presentation title: “Syndemic Modeling of Infectious and Chronic Interaction and Health Effects.”

2010 Invited Speaker, Institute of Medicine, Workshop to Explore Facilitators and Barriers to HIV/AIDS Cases. Kaiser Family Foundation, Washington, D.C. Presentation title: “Shifting Our Categories: Policy Implications of a Syndemics Approach to Overcoming Barriers to HIV/AIDS Testing and Treatment.”

2010 Invited Keynote Speaker, Health & Science Horizons Lecture Series, the Department of Anthropology and the Public Health Program, Santa Clara University. Presentation title: “Syndemics & Health: A Biosociocultural Approach”

2010 Invited Keynote Speaker, Annual Western Undergraduate Research Conference, Santa Clara University, Santa Clara, CA. Presentation title: “Past Present and Future of Medical Anthropology”

2010 Visiting Ethnographer. Department of Anthropology. St. Mary’s College, St. Mary’s City, MD. Presentation title: “Illicit Drug Injection and Syringe Mediated Epidemics: Comparing the USA and China.”

2010 Invited Guest Speaker. Annual Speakers Series. Connecticut Museum of Natural History, Storrs, CT. Presentation title: “The Anthropology of Drug Use: An Eighty-Five Year History.”

2010 Invited Guest Speaker. Health Care Symposium. Center for the Comparative Study of Race and Ethnicity, Connecticut College, New London, CT. Presentation title: “At Gravest Risk: Swine-origin Influenza (H1N1) and Health Disparities.”

2009 Invited Guest Speaker. Department of Anthropology, Central Connecticut State University, Newington, CT. Presentation title: “Licit and Illicit Drug Capitalism: An Anthropological Perspective.”

2009 Invited Guest Speaker. Department of Anthropology, Bard College, Annandale-on-Hudson, New York. Presentation title: “Contradiction and Contestation in Haitian Development: The Challenges of Ethnographic Rapid Assessment in a Crisis.”

2009 Invited Plenary Speaker, Medical Anthropology at the Intersections: Celebrating 50 Years of Interdisciplinarity, Society for Medical Anthropology, Yale University, New Haven,

CT. Presentation title: “Medical Anthropology and Public Policy: Using Research to Change the World from What it is to What We Believe it Should Be.”

2008 Invited Visiting Lectureship. Population Health Intervention Research Centre, University of Calgary, Calgary, Canada. Funded by the Alberta Heritage Foundation for Medical Research. Lecture title: “The Syndemic Approach to Prevention: Reflections on more than 20 years of Research and Practice to Redress Connections between Substance Abuse, Violence, and HIV/AIDS.”

2008 Invited Lectureship/Course Coordinator. Development Studies, School of Social and Environmental Enquiry, University of Melbourne, Melbourne, Australia. Two-week intensive course. Course title: Drug Use, HIV and Development

2008 Invited Guest Speaker. Department of Anthropology, Auckland University, Auckland, New Zealand Presentation title: “Syndemogenic Features of HIV/AIDS: A Critical Biosocial Perspective.”

2008 Appointed. Medical Anthropology Student Association Dissertation Award Committee. Society for Medical Anthropology.

2008 Invited Guest Speaker, Health Sciences, Department of History, and Canada Research Chair in Aboriginal Peoples of North America, Simon Fraser University, Vancouver, British Columbia, Canada. Presentation title: “The Changing Face of Public Health: Global Warming and Ecosyndemics.”

2008 Invited Guest Speaker, Department of Anthropology and the Population Health Intervention Research Centre, University of Calgary, Calgary, Alberta, Canada. Presentation title: Global Warming and Health: Envisioning Social Research on Health for the 21st Century.

2007 Invited Guest Speaker. Department of Anthropology, McMaster University, Hamilton, Ontario, Canada. Presentation title: “Ecosyndemics: Advancing Biocultural Synthesis in Medical Anthropology.”

2006 Invited Guest Speaker. World AIDS Day. Trinity College, Hartford, CT. Presentation title: “The War on Harm Reduction and the Struggle for Public Health: The Syringe Exchange Controversy, Here, There, But Not Everywhere.”

2006 Invited Guest Speaker. Visiting Scholar Seminar: Centre for Health and Society, School of Population Health and School of Anthropology, Geography and Environmental Studies, The University of Melbourne, Melbourne, Australia. Presentation title: “The Hispanic Health Council: A 28 Year Experience in Applied Anthropology”

2006 Invited Guest Speaker. Anthropology Seminar, University of Melbourne and Australian Research Centre in Sex and Society, Latrobe University. Melbourne, Australia. Presentation title: “Licit and Illicit Drug Use Capitalism and Health: An Anthropological Perspective.”

2005 Invited Guest Speaker. Cultural Competence, Communication and Health Disparities Conference. University of Iowa Health Sciences Program. Iowa City, Iowa. Presentation title: “Health Disparities: An Evidence Based Approach.”

2005 Advisory Board Member. Encyclopedia of Applied Developmental Science, Vols 1 & 2. Thousand Oaks, CA; Sage Publications, 2005.

2004 Invited Guest Speaker. Center for Health, Culture and Society, Rollins School of Public Health, Emory University, Atlanta, GA. Presentation title: “What is the ‘Drug User Community’? Characteristics, Causes, and Consequences for Public Health.

2004 Invited Guest Speaker. Center for Health/HIV Intervention and Prevention. Department of Psychology, University of Connecticut. Presentation title: “Intimate Partner Violence, Drug Use and HIV Risk among Women in Hartford.”

2004 Invited Presenter. Rapid Assessment, Response and Evaluation (RARE) Project Meeting. Office of Minority Health, Department of Health and Human Services, Washington, DC. Presentation title: “RARE Project Hartford: Challenges and Impact.”

2004 Invited Guest Speaker. Treatment Research Center. Department of Psychiatry. University of Pennsylvania Health System, Philadelphia, PA. Presentation title: “Emergent Drug Use Practices and the Changing Drug Scene: Embalming Fluid, PCP, and Drug Mixing.”

2004 Invited Guest Speaker. Department of Behavioral Science, University of Kentucky, Lexington, KY Presentation titles: 1) Doing Community-Based Applied Health Research: Challenges and Benefits; and 2) Emergent Illicit Drug Use Practices and their Public Health Implications.

2004 Invited Guest Speaker. Clinical Psychology Training Program, Center for Alcohol and Addiction Studies. Brown University. Providence, RI. Presentation title: “Smoked: Embalming Fluid as a Psychoactive Drug among Youth.”

2004 Invited Presenter. The Political and Symbolic Implications of Quantification Conference. Working Group on Anthropology and Population. Brown University, Providence, RI. Presentation title: “An Epidemic by the Numbers: Categorizing, Counting and Constructing AIDS.”

2004 Invited Participant. Prevention Science Working Group, Office of AIDS Research, National Institutes of Health. Washington, DC.

2003 Invited Panelist. Symposium: The Use of Ethnography in Policy. Yale University, New Haven, CT. Panel Topic: Case Studies of Politically Effective Ethnography

2003 Invited Guest Speaker. National Hispanic Science Network Summer Research Training Institute on Hispanic Drug Abuse. University of Houston, Houston, TX. Presentation Title: “Latinos and AIDS: A Community Perspective.”

2003 Invited Participant. Prevention Science Working Group, Office of AIDS Research, National Institutes of Health. Washington, DC.
