My Rock Tells a Story

You will be writing a story about the rock you just made. First, look closely at your rock and look for clues that might tell about its history, just like the rocks in *Stonewall Secrets*. Fill in the blanks with notes you could use for your story. You do not need to use full sentences. The first one is an example for you. Remember to work with your partner to come up with ideas.

Clue

Secret it tells

1. Example

scratch marks on the bottom	the rock was pushed around by glaciers
-----------------------------	--

2. How was this rock formed?

--	--

3. What was this rock used for?
